Message From The Board

In the last few years, the America's 911 Foundation has been able to donate more than \$300,000.00 to these heroes, their families and departments. Our goal for 2016 is to raise even more for our First Responders.

This goal cannot be reached without your contributions. Everyone associated with the foundation donates their time and energy for this worthwhile cause, we are a 100% Volunteer Foundation. In the days following the attacks, our country's streets were lined with Americans waving flags and saying "Thank You" to every First Responder that went by. Say "Thank You" again to these heroes by making a donation to America's 911 Foundation, Inc. Your contributions are fully tax deductible and may be made directly by check or through the website utilizing credit cards. There is no better way to say "Thank You" to these HEROES.

On behalf of the foundation and every First Responder across the nation, **we thank you for your support.**
