June 2022 News Letter:

Scholarships:

The Foundation would like to thank all of the students that applied for a scholarship this year. It was a difficult decision but our scholarship committee was able to choose the 16 winners.

The foundation would also like to thank the scholarship committee for reading, grading, and verifying the essays and applications.

All winners were notified via email. Eric and Allison J. did a Facebook presentation of the winners on our Facebook page and the winners are also listed on the America's 911 Foundation web site. Below are some of the responses from students.

“Oh my goodness, I am **THRILLED** to be awarded this scholarship. And it's so meaningful to my family that this particular scholarship is for a cause that is special to me and my Dad, who's an FDNY lieutenant. Thank you so much! Please also thank the scholarship committee for me. I'm so honored and so proud to represent children of first responders. “

“Thank you so much for this scholarship; it really means a lot to me and my family. You can be sure that I will continue to work hard and strive to be the best scholar I can be.”

“Hello! Thank you so **SO** much for awarding me one of your America's 911 Foundation Scholarships!!!I am beyond grateful and know this will help me out tremendously in college and am so appreciative you took the time to look over my application!!” “Again, thank you so much for this amazing opportunity!!! I love your foundation and everything you do for people like my father and he and I are both extremely grateful for everyone who took the time to look over my application and read my father's story and I know these funds will help me tremendously!!”
