National Volunteer Emergency Team (NVET) News

Supplies were delivered Last Week to Western MD & WV after severe storms came through their areas. Thank you to the team that worked this effort (John, Victoria, Dan).

Foundation Disaster Boxes are being sent to Oklahoma to supply the Southern Baptist Disaster Team. From here boxes will be sent out as needed in surrounding states.

Our Goal Right now is to raise more than **\$25,000** to fund NVET. From these Funds the foundation can support first responders and their communities when Disasters hit.

We need your help to do this!

Please donate via the website or mail, understand the Foundation has never received any money from our government.
